

## 900/500 Mobile Diesel Air Compressor

- Dual flow / pressure capability
- Rugged design
- Low noise output
- Integrated water separator and after-cooler
- Full shift fuel tank (direct feed capability)
- User-friendly controller
- Refinery equipment (inlet shut down valve & spark arrestor) on request

### Technical Data

Max. working Pressure	35barg (500psi)
Max. free air delivery	25.5m <sup>3</sup> /min (900cfm)
Fuel tank capacity	796 litres
Fuel consumption (full load)	99 l/hr
Noise level (LpA) @ 7m	74dB(A)
Length. tow bar raised	4547mm
Width	2235mm
Height	2515mm
Weight	7126kg

**All of our equipment is fully maintained by our team of specialist compressor engineers and supported with the provision of a full range of ancillaries and complimentary products including dryers, generators, lighting towers and bowsers.**
