

950/200 Mobile Diesel Air Compressor

- Ambient capabilities from -25°C up to +50°C
- Rugged design
- Low emission zone compliant engine
- Low noise output
- Integrated water separator and after-cooler
- Full shift fuel tank (direct feed capability)
- User-friendly controller
- Refinery equipment (inlet shut down valve & spark arrestor) on request

Technical Data

Max. working Pressure	14barg (200psi)
Max. free air delivery	26.8m ³ /min (950cfm)
Fuel tank capacity	600 litres
Fuel consumption (full load)	75 l/hr
Noise level (LpA) @ 7m	74dB(A)
Length. tow bar raised	4900mm
Width	2150mm
Height	2250mm
Weight	6350kg

All of our equipment is fully maintained by our team of specialist compressor engineers and supported with the provision of a full range of ancillaries and complimentary products including dryers, generators, lighting towers and bowsers.
